

02-March-2010

To Our Valued Customers,

We constantly strive to provide you reliable and innovative products.

We offer the broadest coverage, together with competitive transit times in key trade lanes. Furthermore, Maersk Line schedule reliability has been consistently rated as one of the highest within the market by independent industry analyst Drewry Shipping Consultants.

To keep up our excellent service, Maersk Line will be implementing Rate Restoration Initiative (**RRI**) of USD250/teu effective from 1st April 2010.

Scope: Rate Restoration Initiative (**RRI**) will apply to all cargo moving from all Far East origins to all destinations in the Mediterranean and North Europe

We thank you for your business and look forward to serve your future global transportation needs.

Should you require further information, please feel free to contact your local Maersk Line representative.

With Best Regards,

Maersk Line
